LOVE IS A SUBTLE POWER.

atic Reconciliation of an E tranged Indiana Couple.

INDIANAPOLIS, Dec. 14. -Three years ago hance meeting between L. O. Freeman Terre Haute, and Miss Minnie Hackney. Columbus, a niece of Judge Hackney, o ibyville, resulted in a case of love at marriage, followed by parental forgive-ness. Just after the birth of their only child, two years only child, two years ago, some arcumstances estranged the couple and heir separation continued until Saturday. The father, who had returned to Terre Raute, learned that his wife was going to reclaim the child which, by the agreement of separation, was confided to the custody of an aunt who resides in the northern part of the State.

of the State.

Fromman appeared at the Union Station on Saurday, with a determination to intercept the grandfather, who was escorting the baby, and secure it by force if necessary, while waiting he saw the old sentleman and the little one approaching, but at the same instant his wife, who had also been waiting, rushed past him and folded the child to her bosom. Freeman's determination yielded to a nobler impulse and he promptly offered a reconciliation, which was accepted, and the couple became as happy as in their heneymoon.

WAS IT SUICIDE?

Frances Ryan's Strange Fall from

Fifth-Story Window. Miss Frances Ryan, aged forty-four, fell

from the fifth-story window of her room at the Hotel Albert, on Eleventh street, near University place, about 1,30 o'clock Saturday morning. She was picked up with a broken spinal column and a fractured wrist, and was taken to the New York Hospital, and was taken to the New York Hospital, where she died at 9 o'clock yesterday morning. When the woman was picked up she was fully dressed, although the hour was very early. She asked where she was, but refined to suswer any questions as to whether the fall was accidental or not. Her parents are about eighty years of age, and when her father was sent for he, too, came out fully dressed. Deputy Coroner Dorlin made an examination at the hospital yesterday. He was unable to come to a definite conclusion and marked the case saicide, with an interrogation point after suicide. The hotel authorities have nothing to say except that they do not know how the girl or her parents happened to be up at that hour or why she should keep the window open at this time of the year, if the fall was accidental.

WASHINGTON, Dec. 14.-Representative Washington, Dec. 14.—Representative Bowden, of the Second Virginis District, said to a reporter to-night that he has no intention of contesting the seat of John W. Lawson, the Democrat elected to succeed him in the "lifty-second Congress, although he feels convinced that Lawson has been defeated by 3, 0.00 votes. To establish ail his assertions of frand, he said, would require him to see about any or seven thousand voters in his district, and he could not do this in the forty days allowed him by law. Besides this it would cost him about \$30,000.

Two Men Killed by Apaches Tomestone, Ariz., Dec. 14. - Jack Bridges St. Louis, Dec. 14.-Harry Hartman left Sr. Louis, Dec. 14.—Harry Hartman left his home, at No. 2307 Lemp arenue, at 1 the Gaudalupe Mountains on Friday. o'clock this morning to go to a piace in the vicinity to indulge in a smoke. Heremained two hours and then returned to the house. While attempting to gain admitance at a rear door of the house four shots were fired in rapid succession, and as many pustol bullets entered Hartman's body and caused almost immediate death. Henry and William Hartman, sons of the dead man, and John C. Brenner were locked up. there. Then he, with Robinson and another man, went to investigate the matter and were fired upon by the Indians. They returned the fire and attempted to escape, but were surrounded, and two of them fell. The other man escaped after being grazed by a builet.
